If the applicant has not been convicted of a felony and is otherwise

eligible to register to vote pursuant to the Delaware Constitution and this title, the applicant shall be registered.

(b) If a review by the county department of elections shows that the applicant has been convicted of a disqualifying felony, the registration application shall be denied and the applicant shall not be permitted to register.

(c) If the applicant has been convicted of a felony which is not disqualifying but the felony conviction occurred within 5 years preceding the date of the application, then the registration application shall be denied.

(d) If the results of the (CJIS) inquiry cannot determine the eligibility of the applicant, the respective county department of elections shall forward the application to the State Election Commissioner.

(b) Upon request by the State Election Commissioner, the OSCCE shall review its records to determine if the applicant has paid all financial obligations assessed against such applicant. Upon request by the State Election Commissioner, the Department of Correction shall review its records to determine if all sentences of imprisonment and community supervision imposed upon the applicant have been fully discharged.

Each stage of the review process shall be completed within a reasonable time.
